Notes: 1599-6903 - due to biennial rate reviews, the FY'2023 Chapter 257 figures is the relevant figure for comparison. House Budget supports Gov's 2025 Chapter 257 request of \$390 Million and \$95 Million from Econ Devel plan . Budget language in several line items **requires MassHealth to maintain PCA eligibility services in 2025 as in 2024-- need Senate to concur.** The House added \$150k OHC in continued investment of health equity. NOTE -- Total LINE is NOT necessarily meaningful since it includes reserve (yearly fluctuation) AND does not include other relevant line items in other agencies.
