

Please join us for a conversation with **Leo Sarkissian, Executive Director of The Arc of Massachusetts**. He will discuss some of the key issues facing human service agencies as we support people with intellectual and developmental disabilities. Topics include advocacy on the FY2020 state budget, the workforce crisis, and changes in MassHealth. Learn what The Arc is doing in these areas and how agencies like yours can be effective advocates.

Register at www.arcmass.org/October. Please contact Katrin Aback at aback@arcmass.org or 781-891-6270 x105 with any questions.
